

Don't worry, read happy.

Adults (ages 18+)

Start reading: You'll need to log 800 minutes of reading (don't worry, that's only about 20 minutes 5 days a week for 8 weeks). You can count your time reading or listening to books in physical or digital format, reading your morning newspaper, even any online article or blog reading. Cross off 20 minute segments as you go.
