

Don't worry, read happy.

Teen Readers (grades 6-12)

Start reading: You'll need to log 600 minutes of reading (don't worry, that's only 15 minutes 5 days a week for 8 weeks). You can count your time reading or listening to books in physical or digital format. Cross off 15 minute segments as you go.

Once you've completed 600 minutes, you've earned a ticket into the grand prize drawing of your choice (choose below). You may stop the program here, turn in your log, and pick up your finishing prize beginning February 1. Don't forget to write your name and choose your grand prize below.

If you would like to earn another ticket into the grand prize drawing, continue in the app/website or print a second chance log from our website | caryarealibrary.org/winterreading
